Science Forum

Rabindranath Thakur Mahavidyalaya
Bishalgarh, Sepahijala, Tripura

There is a Science Forum in Rabindranath Thakur Mahavidyalaya Since 2015. The committee comprises of a President, a Secretary, and a Joint Secretary from the faculties and students members of the science stream. Science Forum provides students to interact with eminent scientists and environmentalists. Science Forum in this College plays an active role to exchange the views and thought among students and faculties on Science, Technology and Environmental issues and to inculcate their inquisitiveness. The Forum conducts different science related programs every year. The Forum also observes important days related to science. Not only students from science subjects but also from other background participate in different programs conducted by Science Forum of this College to get the message of imbibing scientific values.
